Caption

One day, as **Cheesasaurus Rex** and his pirate crew sail high above Oni'Land in their faithful ship, the **Flying Dutchmeunster**...

CHEESASAURUS REX

Ahoy, **Albearto**! Have you plotted our course, yet?

ALBEARTO

Um, no, Cap'n **Cheesasaurus Rex**... but I think we're flying in the right direction!

BEARACUDA

Albearto's lucky we're **good** pirates, or else we'd make him walk the **plank**!

Panel 2

Scene: Medium shot as Albearto bumps into the capstan and trips.

**Copy:**

ALBEARTO

Maybe I should go up in the crow's nest and take a look...

ALBEARTO (2nd)

**Whoops!**

Panel 3

Scene: Albearto tumbles overboard, the capstan is spinning wildly, the anchor, having been released, is plummeting groundward. In the background, Bearacuda shouts and points, and Bearelina turns to see the crisis.

**Copy:**

ALBEARTO

**Yeowww!**

BEARACUDA

Bear overboard! Do something, **Bearelina!**

BEARELINA

Aye, aye, **Bearacuda!**

**PAGE TWO**

Panel 1

Scene: Bearelina "freezes" Albearto in mid-air while Bearacuda is spinning a lasso, preparing to throw Albearto a rope. Bearacuda is on his skateboard, here, zooming along the rail.

**Copy:**

BEARELINA

**Freeze!**

BEARACUDA

Nice work, **Bearelina!** I'll haul Albearto back aboard!

Panel 2

Scene: Albearto, aided by Bearacuda, scrambles back aboard. Cheesasaurus Rex notices that the anchor is falling! Shoot this from above, 3/4 OH. Show the spinning capstan, too.

**Copy:**

ALBEARTO

Thanks, Bearacuda.

CHEESASAURUS REX

Oh, no! The anchor's headed straight for Oni'Land!

CHEESASAURUS REX (2nd)

Ahoy, below!

Panel 3

Scene: View of Oni'Land. It should look like some sort of suburban setting—houses and swimming pools and children playing in the yards. We should see various KRAFT products built in, i.e. KRAFT Singles used as rafts in swimming pools, cars that look like KRAFT Handi-Snacks, a sidewalk or two made of KRAFT Macaroni and Cheese boxes instead of bricks. The Flying Dutchmeunster's anchor catches on a house and is

tearing it up out of the ground. The house's roof is made of KRAFT Singles shingles.

**Copy:**

CHEESASAURUS REX

Oops! I don't think those people **wanted** to move!

Panel 4

Scene: Show the house (which is in the process of flying away) and a man and a woman standing where the house used to be. The woman looks a little miffed, but the man is smiling and pointing up at the sky.

**Copy:**

Woman

**Hey!** Someone's talking our house away.

Man

It's okay--it's **Cheesasaurus Rex!** I'm sure he'll bring it right back!

Panel 5

Scene: The ship is in the sky, lowering the house back down to where it was. We see Cheesasaurus Rex leaning over the side of the ship, shouting directions.

**Copy:**

CHEESASAURUS REX

Lower it down! A little to the right! Now to the left! No, your **other** left!

**PAGE THREE**

Panel 1

Scene: Cheesasaurus Rex and friends are on the ground now; their ship is parked in the front yard of the house they just returned. They're talking with the man and woman—the woman is giving them all KRAFT Handi-Snacks. Albearto is talking about how yummy the roof looks.

**Copy:**

Woman

Thanks for putting our house back! Here, help yourself to some KRAFT Handi-Snacks!

CHEESASAURUS REX

Thanks!

ALBEARTO

Wow--**KRAFT Singles shingles!** You've got the world's **best-tasting** roof!

Panel 2

Scene: Suddenly, Jeff and Sarah pop into the picture, along with three new kids: Terri, a Japanese girl; Kevin, a black boy; and Margie, a Hispanic girl. The three new kids are amazed—Jeff and Sarah looked thrilled. Cheesasaurus Rex smiles at the kids.

**Copy:**

JEFF & SARAH

**Yay!** We're in **Oni'Land!**

CHEESASAURUS REX

Welcome back, **Jeff and Sarah!** But who are your friends?

Panel 3

Scene: Terri, Kevin, Margie and Albearto stand in a line, giving their names.

Copy:

I'm **Terri!** TERRI

I'm **Kevin!** KEVIN

I'm **Margie!** MARGIE

I'm **hungry!** ALBEARTO

Panel 4

Scene: Cheesasaurus Rex and the others are climbing back into their ship. The five kids follow. The man and woman are smiling and waving goodbye. Cheesasaurus Rex tells the kids that they're just in time.

Copy:

CHEESASSAURUS REX  
Well, you're just in time to join us for our voyage around **The Cheddarhorn!**

BEARELINA  
It's Oni'Land's biggest mountain!

Panel 5

Scene: A view from the ship: Kevin is pointing excitedly at The Cheddarhorn, which is melting. A beam like a ray of sunlight, only brighter, is coming from overhead and turning the mountain into a river of hot, molten cheese.

Copy:

KEVIN  
The Cheddarhorn is **big**, all right, but not for **long!** Look! It's **melting!**

GROUP

Oh, no!!

**PAGE FOUR**

Panel 1

Scene: The ship and its crew are coming down for a landing at the base of The Cheddarhorn. The hot cheese is flowing right towards them—and towards Sharpsburg, located at the foot of the mountain.

**Copy:**

BEARELINA

All that **hot cheese** is flowing right towards **Sharpsburg!**

TERRI

The town will be turned into a fondue dish!

MARGIE

Cheesasaurus Rex, we have to **do** something!

Panel 2

Scene: Bearelina freezes the cheese, but she can't hold it—there's too much of it, and more on the way. Bearacuda takes off on his skateboard. Show Bearelina's freeze stars melting.

**Copy:**

BEARELINA

**Freeze!**

BEARELINA (2nd)

It's not **working!** It's too **hot!**

MARGIE

We have to build a **dike!**

BEARACUDA

I'll get what we need!

Panel 3

Scene: In a fast and furious flurry, Bearacuda (on his board) throws KRAFT products overboard and the Cheese and Macaroni Friends set up a wall of giant KRAFT Handi-Snacks and singles at the foot of the mountain, creating an effective dike.

**Copy:**

BEARACUDA

We're almost finished!

TERRI

Bearelina and I found some more KRAFT singles!

ALBEARTO

For the **dike**?

BEARELINA

No, silly, to **eat** after we're done! Yum!

Panel 4

Scene: Cheesasaurus Rex and the others cheer as the cheese flows away from Sharpsburg and into the Cheese Seas.

**Copy:**

CHEESASAURUS REX

**Yay!** The cheese is flowing **away** from Sharpsburg--right into the **Cheese Seas!**

GROUP

**Hurray!**

ALBEARTO

That's a wonderful dike, Bearacuda!

**PAGE FIVE**

Panel 1

Scene: We're in the Sharpsburg Town Hall. The mayor of Sharpsburg, Mrs. Elb'oni, expresses her gratitude to the little group.

**Copy:**

CAPTION

At the **Sharpsburg Town Hall...**

MRS. ELB'ONI

As Mayor of Sharpsburg, I'd like to thank you and your good pirate crew for saving our town, Cheesasaurus Rex!

CHEESASAURUS REX

Aw, it was a piece of cake, **Mrs. Elb'oni**. Cheesecake, that is!

Panel 2

Scene: The Mayor now tells them that the people of Oni'Land have an ever bigger problem. As the Mayor explains the problem she holds an official looking letter with the Overbl'onia State seal. State seal should look like the cloud Kevin sees in Panel 4.

**Copy:**

MRS. ELB'ONI

But I'm afraid we have an ever bigger problem!

MRS. ELB'ONI (2nd)

Every citizen of Oni'Land has received an **official letter** informing them that the **State of Overbl'onia** has annexed Oni'Land.

Panel 3

Scene: The Mayor continues as Cheesasaurus Rex and the others look upset, wondering who would do such a thing.

**Copy:**

MRS. ELB'ONI

Now everyone in Oni'Land must pay the **Cheese Tax!**

CHEESASAURUS REX

Who could be **behind** such an evil scheme?

Panel 4

Scene: Kevin stares at a strange-shaped cloud. He's holding the letter so we can see the cloud-shaped **seal** which is identical to the cloud.

**Copy:**

KEVIN

I wonder...

Panel 5

Scene: Back at their ship, Kevin points up to the sky, toward a cloud that hangs over Oni'Land. It is huge and stationary.

**Copy:**

CAPTION

Back at The Flying Dutchmeunster...

KEVIN

Look at that cloud, Cheesasaurus Rex! It doesn't seem to be moving!  
And it looks vaguely familiar...

CHEESASAURUS REX

You're right, Kevin.

Panel 6

Scene: Cheesasaurus Rex and the others get back on their ship. They're off to investigate.

**Copy:**

CHEESASAURUS REX

Come on, everyone! Let's go take a closer look!

**PAGE SIX**

Panel 1

Scene: Above the cloud, which is just a disguise, the crew finds an astonishing sight—a huge platform, big enough to hold an entire country, held aloft by four huge dirigible-type balloons. In the center, poised above a hole through which it can fire, is a huge, powerful heat ray, powered by big solar collectors. The crew is amazed.

**Copy:**

SARAH

**Wow!** This must be Overbl'onia!

JEFF

It's huge!

ALBEARTO

But what's **that** contraption?

Panel 2

Scene: Focus on the astonished crew, although we can still see the heat ray thing.

**Copy:**

KEVIN

**That's** what was melting The Cheddarhorn! It's a giant **heat ray!**

Panel 3

Scene: As the ship sails closer, a giant TV monitor, as big as a movie screen, held aloft by balloons, floats toward them.

**Copy:**

BEARELINA

**Look!** A big-screen TV!

MARGIE

Something tells me we're not going to see **cartoons** on that thing!

Panel 4

Scene: The image of Cheesefinger forms on the screen, telling the crew to surrender or else!

**Copy:**

CHEESEFINGER

I, **Cheesefinger**, will have all the cheese in the world for myself--and you can't **stop** me, Cheesasaurus Rex!

CHEESEFINGER (2nd)

Mess with me, and I'll **scuttle** your cheesy pirate ship and you with it!

Panel 5

Scene: Everyone on the ship looks scared and worried as the TV screen floats away.

**Copy:**

TERRI

Cheesefinger looks **scary**!

BEARELINA

He **is** scary!

CHEESASAURUS REX

We can't let him take all the cheese in Oni'Land--we have to **stop** him!

**PAGE SEVEN**

Panel 1

Scene: Inside the royal palace, we see Cheesefinger striding away from the broadcasting equipment that projected his image on the screen. We can see several TV monitors which show various images: The Flying Dutchmeunster, the worried pirates, Overbl'onia, and possibly Cheesefinger exiting the "set." Meanwhile, Kitty Hawk is flying into the room, right behind Bob Cat, who's clawing a chunk out of the door frame on his way in. Bringing up the rear is Cat Napper, who looks exhausted, and is yawning

**Copy:**

CAPTION

In the Royal Palace of Overbl'onia...

CHEESEFINGER

That was a waste of time! Cheesasaurus Rex and his pirates are too **brave** to be scared away!

**Cheesefinger!** You sent for us?

BOB CAT

You want somebody **clawed**, maybe?

CAT NAPPER

**Ho-hum!**

They won't give up easily!

KITTY HAWK

**We'll** fix 'em!

Panel 3

Scene: Kitty Hawk hovers in mid air looking menacing. Meanwhile Cat Napper continues dozing and fading.

**Copy:**

KITTY HAWK

They won't know what hit 'em when **Kitty Hawk** swoops in for an air strike!

Panel 4

Scene: Bob Cat is slicing a TV monitor into sections with his claws. Cat Napper is almost entirely asleep and entirely invisible here.

**Copy:**

BOB CAT

They're going to need patchin' when **Bob Cat's** done scratchin'!

Panel 5

Scene: Focus on Cat Napper, or where he was standing. He's invisible now. Cheesefinger yells at him.

**Copy:**

CHEESEFINGER

**Cat Napper!** Wake up!

CAT NAPPER

(balloon to where he'd be)

Zzz-z... **hm?** Oh... yeah. I'll be their worst nightmare. If I can stay awake...

Panel 6

Scene: The Thumbscrews zoom off to do battle, with Cheesefinger urging them on! Kitty Hawk is carrying the other two, one by each hand. Cat Napper visible again, is yawning.

CHEESEFINGER

Go, my **Thumbscrews**! Sink them--or I'll have your whiskers plucked!

KITTY HAWK

That'd be cat-astrophic!

BOB CAT

He's so strict!

**PAGE EIGHT**

Panel 1

Scene: Still in the royal palace. Queen Brie, the queen of Overbl'onia, enters. She's a magnificent, regal woman. She's also in love with Cheesefinger. He greets her.

**Copy:**

CHEESEFINGER

Don't be afraid, **Queen Brie!** I have the situation under control!

Panel 2

**Copy:**

QUEEN BRIE

You're so tall and forceful and **mysterious!** I just **know** you're handsome under that hood!

QUEEN BRIE (2nd)

Ever since you first came here I've been **crazy** about you!

CHEESEFINGER

Look, Brie, I'm, uh, kind of busy...

Panel 3

Scene: More of the same—Brie is much closer to Cheesefinger now, but Cheesefinger's not paying much attention to Brie. He's rubbing his hands, contemplating getting all the cheese.

**Copy:**

QUEEN BRIE

Of course, dear! For a **giant** like you, seizing your **destiny** must come before romance!

QUEEN BRIE (2nd)

That's why I've committed all my country's resources to help you get what you deserve.

CHEESEFINGER

Uh-huh. Cheese. **All** of it!

Panel 4

**Cheesasaurus Rex**

BEARACUDA

Wrong, limburger-breath!

**PAGE NINE**

KITTY HAWK

Oh, no! I'm out of control-l-l-l-l-l...!

Panel 3

**Copy:**

BOB CAT

You'll **never** stop Cheesefinger!

BEARELINA

Don't be **too** sure, Bob Cat!

Panel 4

MARGIE

Where'd the **other one** go?
